In the matter of the application for the enrollment
of Kahnell as a citizen of the Cherokee Nation.

The record in this case shows that on June 30, 1902
Emmet Starr appeared before the Commission, at Muskogee, Indian
Territory, and made application for the enrollment of Kahnell as a
citizen of the Cherokee Nation, and he was listed on Cherokee
Doubtful card 1621. Further proceedings were had in the matter of
this application, at Painesville, Arkansas, on May 13, 1905.

It is further shown from the record herein, and from
the records of the Commission, that the said Kahnell, under the name
of Cornelius House, was listed on Cherokee straight card, Field
number 6125, and his name appears upon the final roll of citizens
of the Cherokee Nation, prepared by this Commission and approved by
the Secretary of the Interior, opposite number 28900.

It is, therefore, ordered that Cherokee Doubtful card
number 1621 be cancelled, and that the record in that case be trans-
ferred to Cherokee-6125.

THE RECORDS FURTHER SHOW: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Regl Bird, et al vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat. 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

Cherokee No. 6111

✓
Muskogee, Indian Territory, September 24th, 1902.

Jane Benge,

Tahlequah, Indian Territory.

Dear Madam:

The Act of Congress, approved July 1, 1902, and entitled "An Act To provide for the allotment of the lands of the Cherokee Nation, for the disposition of town sites therein, and for other purposes," (Public No. 241), provides that "the roll of citizens of the Cherokee Nation shall be made as of September first, nineteen-hundred and two."

In accordance with said provision, you are hereby notified that the Commission to the Five Civilized Tribes will be at its offices at Muskogee, Indian Territory, until Friday, October 31, 1902, inclusive, for the purpose of affording you an opportunity to show that you have not, between the date of the original application for your enrollment and Sept 2, 1902, forfeited your right as a citizen by intermarriage of the Cherokee Nation.

This evidence should be introduced immediately, as it is necessary in determining your right to share in the allotment of the lands of the Cherokee Nation, and until the same is furnished no further action can be taken looking toward your final enrollment as an intermarried citizen.

Yours truly,

Acting Chairman.

Commissioner Breckinridge: The applicant applies for the enrollment of himself, wife and child; he is identified on the rolls of 1895 and 1900 as a native Cherokee; he has lived in the Cherokee Nation all his life and is entitled to be listed for enrollment as a Cherokee citizen.

His wife is shown to have married him on March 9th, 1900, of the present year; neither of them was previously married; but the marriage is too late under the Cherokee law of December 15th, 1895 to entitle her to enrollment at this time, she being a white woman; therefore, the application for her enrollment is rejected; the child is shown by the testimony of the applicant to have been born in 1899, and under the conditions the child is not entitled to enrollment, therefore the application for the enrollment of the

child is rejected.

M.D.Green, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

File with Cherokee straight card No. 6,123.

Department of the Interior,
Commission to the Five Civilized Tribes,
Tahlequah, I.T., November 12, 1901.

In the matter of the enrollment of Jennie Starr as a
Cherokee citizen by blood.

Commissioner Needles: It appears from the records that
when said application was made for the enrollment of Jennie Starr
by her husband, Tom Starr, said Jennie could not be identified upon
the authenticated roll of 1880. To-day said Jennie Starr comes
and applies for the enrollment of her daughter and granddaughter,
who are listed for enrollment upon straight card 7,690, and upon
examination of the records the said Jennie Starr is identified upon
the authenticated roll of 1880 as Jennie Sanders, to-wit:

page 172, No. 2576, Jinnie Sanders, Cooweescoowee District,
native Cherokee.

This fully identifies Jennie Starr, who failed to be identified
when the original application for enrollment was made.

This will go with Straight card No. 6,123.

M.D. Green, being first duly sworn, states that as stenographer to
the commission to the Five Civilized Tribes he correctly recorded
the testimony and proceedings in this case and that the foregoing
is a true and complete transcript of his stenographic notes thereof.

A Yes, sir.

Commission: Viola Wofford, who appears on the delinquent list of the 1896 roll, now available, as being on page 1263, #3580, on said roll, and age at that time 21 years, is identified as Viola Springston, under which name it seems, she has already been listed for enrollment, and that her name had been duly changed by reason of her marriage to that of Viola Finley.

Her 1896 enrollment will be inserted upon her card and this satisfactorily accounts for the delinquency on the 1896 roll.

In the matter of the application for the enrollment of
Albert S. Moore as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That on December 5, 1900, application was received by the Commission to the Five Civilized Tribes, for the enrollment of Albert S. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, September 30, 1902, and at Muskogee, Indian Territory, January 5, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Albert S. Moore, who is identified on the Cherokee authenticated tribal roll of 1880 and the Cherokee census roll of 1896, is a white man and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation, other than such right as he may have acquired by virtue of his marriage, October 18, 1875, in the State of Georgia, to his wife, Fannie Moore, nee Warwick; that the said Fannie Moore, nee Warwick, was not at the time of said marriage, a recognized citizen by blood of the Cherokee Nation and did not become such until her admission to citizenship therein by the duly constituted authorities of said Nation, in the year 1878 or 1879; said applicant did not therefore marry in accordance with the law of the Cherokee Nation, a citizen by blood of the Cherokee Nation prior to November 1, 1875.

DEPARTMENT OF THE INTERIOR,

February 23, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

There is enclosed a report from the Commissioner to the Five Civilized Tribes, dated February 2, 1907, transmitting the record relative to the application for enrollment of Albert S. Moore as a citizen by intermarriage of the Cherokee Nation. On February 2, 1907, the Commissioner held that the applicant was not entitled to enrollment.

The record shows that the applicant, Albert S. Moore, who is identified on the Cherokee authenticated roll of 1880, and the Cherokee census roll of 1896, is a white man and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation, other than such right as he may have acquired by virtue of his marriage on October 18, 1875, in the State of Georgia, to Fannie Moore, nee Warwick, who was not at the time of her marriage a recognized citizen by blood of the Cherokee Nation and did not become such until her admission to citizenship therein by the duly constituted authorities of the nation in the year 1878 or 1879. The applicant did not therefore marry in accordance with the law of

--2--

the Cherokee Nation, a citizen by blood of the Cherokee Nation prior to November 1, 1875.

Under the decision of the Supreme Court of the United States dated November 5, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, the applicant is not entitled to enrollment.

It is therefore recommended that the decision of the Commissioner adverse to the applicant be approved.

In the matter of the application of Lillie M. Linn for enrollment as a citizen of the Cherokee Nation.

—O—

J. O. Starr, being sworn and examined, testified as follows, on behalf of the Cherokee Nation:

By W. W. Hastings:

- Q What is your name? A J. O. Starr.
Q Are you the stenographer for the Cherokee Nation? A Yes sir.
Q What is your postoffice, Vinita? A Yes sir.
Q Did you make any attempt to make any service on Lillian M. Linn, the applicant? A Yes sir.
Q What date? A I sent a notice to the applicant and a registered letter to her postoffice at Collinsville, I. T. The letter was returned endorsed, "Returned to Writer - Removed- present address unknown".
Q I see that the registered letter you claim that you sent to her you addressed it as Lillian M. Wilson, why did you do that? A That was her name at this time.
Q You knew that she had married a man by the name of Wilson? A Yes sir.

Comes now the representative of the Cherokee Nation and moves to be allowed to introduce testimony in this case because they are unable to get proof of notice upon the applicant as shown by the testimony of the witness hereinabove.

COMMISSION: The motion of the representative of the Cherokee Nation will be entertained and the testimony heard.

W. W. HASTINGS: The Cherokee Nation offers in evidence a marriage license of Robert A. Wilson to Lillie Linn, on the 7th day of March, 1901, signed Charles A. Davidson, Clerk of the United States Court, by William R. Shackleford, Deputy, and a certificate of marriage showing that they were united in matrimony upon the same date by the said William R. Shackleford, United States Deputy Clerk.

COMMISSION: The tribal rolls of the Cherokee Nation now in the possession of the Commission have been examined and fail to disclose that Robert A. Wilson was ever recognized by the tribal authorities of the Cherokee Nation as a citizen.

W. W. HASTINGS: The Cherokee Nation introduces this testimony for the purpose of showing that the applicant who was heretofore listed for enrollment as a citizen by intermarriage of the Cherokee Nation has forfeited her right to be enrolled as a citizen of the Cherokee Nation by marrying a citizen of the United States as provided in Section 666 of the Compiled Laws of the Cherokee Nation of 1892.

I, the undersigned, do hereby certify that as stenographer to above named Commission that I recorded the proceedings in this case and that the foregoing is a true and complete transcript of my stenographic notes thereof.

citizenship by the Cherokee Commission on Citizenship in 1887. He states that she has lived here ever since that time. He is shown by the license and certificate filed herewith to have married her in accordance with Cherokee law, March 20, 1895. With the exception of some months following their marriage, they have lived together ever since their marriage. He is identified on the roll of 1896, and he will now be listed for enrollment as a Cherokee by intermarriage. The oldest child, Southey H. Thomas, is identified on the roll of 1896; he is ~~living~~ living now, and will be listed for enrollment as a Cherokee by blood. When certificates of birth of the two younger children, William B. and Mable Thomas are filed with the Commission, these children also will be listed for enrollment as Cherokees by blood.

H.G. Rothenberger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

1. The first group of people who are interested in the study of the history of the world are the historians. They are people who study the past and try to understand what happened and why it happened. They use a variety of sources, including books, documents, and artifacts, to reconstruct the past. They also try to understand the people who lived in the past and how they thought and felt. Historians are interested in the history of the world because it helps us to understand the world we live in today.

SUPPLEMENTAL TESTIMONY AND PROCEEDINGS in the matter of the application for the enrollment of HENDERSON B. THOMAS as a citizen by intermarriage of the Cherokee Nation.

HENDERSON B. THOMAS, being first duly sworn, and being examined testified as follows:

BY COMMISSION: What is your name? A Henderson B. Thomas.
Q How old are you? A Thirty-two.
Q What is your post office address? A Rose.
Q You are a white man, are you? A Yes sir.
Q Have you heretofore made application to this Commission for enrollment as a citizen by intermarriage of the Cherokee Nation?
A Yes sir.
Q What is the name of your wife? A Mary L. Thomas.
Q Is she living? A Yes sir.
Q Is she a Cherokee by blood? A Yes sir.
Q Do you claim your right to enrollment by reason of your marriage to her? A Yes sir.
Q When were you and she married? A The 21st of March, 1895.
Q Were you married to her at that time according to Cherokee law?
A Yes sir.
Q Have you filed with the Commission your marriage license and certificate? A Yes sir.
Q Were you ever married before you married your present wife?
A No sir.
Q Was she ever married before she married you? A No sir.
Q You are her first husband and she is your first wife A Yes sir.
Q Have you and she lived together continuously since your marriage?
A About ten months. Just after we were married we didn't live together.
Q What was the reason of your separation? A Her father died and the estate was to be settled up. We were living up where we are now, and we came down to see about it. They wanted to pay her for a part of the estate. Her mother was there, and she would not let the girl go. She was just a young girl, fourteen, and she would not let her come back.
Q Did your mother-in-law keep your wife there? A Yes sir.
Q For what length of time? A Eight or ten months.
Q Did you and your wife have any quarrel? A No sir, had no difference.
Q Would your mother-in-law let you come there to her house and live with her? A We would live-- I had made a crop there, then we moved to ours, and then after I came back to have the estate settled up, and I didn't want to sign the bill of sale for such a small amount, and her mother, she wouldn't let the girl come back with me.
Q Was that disagreement between you and your mother-in-law?
A About the estate, it was.
Q You and your wife had been living together peaceably, had you?
A Yes sir.
Q Did you make an effort to get your wife to live with you while you were separated? A Yes sir.
Q What was the reason she didn't live with you? A Her mother would not let her.
Q Her mother just simply would not let her? A Yes sir, intimidated her. When she got her part of the estate, then she let her come.
Q How long had you and your wife been ~~separated~~ married when you separated from her? A Married the 21st of March, and it was in September, four or five months, I suppose.

Q During that time where did you live? On a place of your own?
 A I made a crop on my mother-in-law's place.
 Q Before the separation, had you and your wife secured a place and moved off to yourself? A Yes sir.
 Q At the time the death occurred, to cause the estate to be divided, were you and your wife living together away from your mother-in-law?
 A Her father died before we were married. As soon as she became of age she got her part of the estate.
 Q Did the other heirs want to sell the place? A Part of them sold the place, and one of the older brothers had a large share in it.
 Q Was your mother-in-law still living? A Yes sir.
 Q Did you see your wife while you and she were separated?
 A Yes sir, didn't see her very often, didn't get a chance.
 Q Your mother-in-law would not let you come and visit her? A At the first she would not let me come in. After she got her part of the estate she was all right then.
 Q Was it through any fault of your own or your wife's that you and she were separated that length of time? A No sir, it was not.
 Q After you and she had been separated about eight or ten months, did you and she begin living together again? A Yes sir.
 Q Have you continued to live together since that time? A Yes sir.
 Q Were you living together on the 1st day of September, 1902?
 A Yes sir.
 Q You have never been separated any other time except that one time that you speak of? A No sir.
 Q Where were you residing when you and she were separated?
 A On Rose Prairie, where we were living when we separated.
 Q Is that in the Cherokee Nation? A Yes sir.
 Q Have you continued to reside in the Cherokee Nation continuously since you and your wife were married? A Yes sir.
 Q Has she resided here continuously since that time? A Yes sir.
 Q You have how many children? A Three.
 Q Are all of those children living at this time? A Yes sir.
 Q They are the same children that you made application for the enrollment of? A Yes sir.

This testimony will be filed with and made a part of the record in the matter of the application for the enrollment of Henderson B. Thomas as a citizen by intermarriage of the Cherokee Nation, Cherokee straight card field No. 6144.

Wm. Hutchinson, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of the stenographic notes thereof.

The Department's instructions of June 1, 1905 (I.T.D. 6240-1905), and October 2, 1905 (I.T.D. 12228-1905), as to the proceedings to be taken with reference to these persons have been complied with. Notice under date of March 1, 1906, of the information received as to the date of the death of the above named persons, was given by publication for four consecutive issues, the first issue being March 3, 1906, in "The Cherokee Advocate," a weekly newspaper of general circulation published at Tahlequah, Indian Territory. Attention was called to Section 31 of the Act of Congress approved July 1, 1902 (32 Stat., 716), and notice given to the heirs of the persons named, the administrators of their estates, or any other persons having any interest in the estates of the decedents, that

the Commissioner would, at the expiration of sixty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1902. Each of the above named persons was shown to have been residing at the time of his death in the Recording District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1906, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

No information having been received that any one of the above named persons was living September 1, 1902, it is respectfully recommended that their names be stricken from the

approved partial rolls of citizens and freedmen of the Cherokee Nation in the possession of the Department and the Commissioner of Indian Affairs; that this office be authorized to strike their names from the copies of the approved partial rolls in its possession, and that the applications for their enrollment as citizens of the Cherokee Nation be dismissed.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all of the applicants are found on the authenticated 1860 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 31, the Department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907, I.T.D. 1390.

-2-

With reference to the names of these applicants being on the 1880 roll Mr. Wixby says:

THE RECORDS FURTHER SHOW That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 28, 1896 (30 Stat.L., 495), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names are found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of *Wofire vs. the United States* (164 U.S., 437), said :

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

.....
The evidence shows that the deceased sought, in his lifetime, to be considered a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation in his lifetime recognized him as a citizen and still asserts his citizenship. Held, that, under those circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offence charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al, vs. the United States the Supreme Court said:

The roll of 1880, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....
Section 51 of the Act of July 1, 1902, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee Tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under the laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribes.

The concluding words of section 51, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicate that Congress had the Indian citizen in mind in all that went before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that nation that had been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. F. Larrabee,
Acting Commissioner.

February 20, 1907.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two other as citizens by intermarriage of the Cherokee nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1880 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 5, 1906, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your decision

sion, adverse to these persons, is correct, and it is hereby affirmed.

✓ Cherokee No. 6163

Muskogee, Indian Territory, September 24th . 1902.

Hugh T. Watkins,

Tahlequah, Indian Territory.

Dear Sir:

The Act of Congress, approved July 1, 1902, and entitled "An Act To provide for the allotment of the lands of the Cherokee Nation, for the disposition of town sites therein, and for other purposes," Public No. 241, provides that "the roll of citizens of the Cherokee Nation shall be made as of September first, nineteen-hundred and two."

In accordance with said provision, you are hereby notified that the Commission to the Five Civilized Tribes will be at its offices at Muskogee, Indian Territory, until Friday, October 31, 1902, inclusive, for the purpose of affording you an opportunity to show that you have not, between the date of the original application for your enrollment and Sept 2, 1902, forfeited your right as a citizen by intermarriage of the Cherokee Nation.

This evidence should be introduced immediately, as it is necessary in determining your right to share in the allotment of the lands of the Cherokee Nation, and until the same is furnished no further action can be taken looking toward your final enrollment as an intermarried citizen.

Yours truly,

Acting Chairman.

Char. 6163

Muskogee, Indian Territory, January 10, 1907.

Hugh T. Watkins,

Dear Sir:

There is inclosed a copy of the decision of the Commissioner to the Five Civilized Tribes, dated January 10, 1907, rejecting, among others, the application for your enrollment as a citizen by intermarriage of the Cherokee Nation. The Commissioner's decision has this day been forwarded to the Secretary of the Interior for review. You will be advised of the Secretary's action as soon as this office is informed of same.

Respectfully,

Incl. Decn. D

Q About how old? A I would suppose he is a man about thirty-five.
Q Is he that old; his brother gave his age twenty-six years old
three years ago? A I know of him, I don't know; I am just
guessing at his age.
Q He is somewhere about thirty? A He is thirty, but I supposed
thirty-five.
Q Is he a full-blood? A Yes, he is a full-blood.
Q How long have you known him? A I have known him for fifteen
years or longer.
Q Do you think now, you have known him since the roll of 1880
was made? A Yes, I have seen him since then.
Q Has he been residing in the Cherokee Nation since that time?
A I never knew of him being anywhere else. He has been in
trouble and he has been out and in. I never knew of his being out
of the country. I knew he was settling. I was talking with Mr.
Boss, and he said he was over in the Osage country a while.
Q He never became a citizen over there? A No sir.
Q Do you know as a fact that he never became a citizen of any
other nation? A I couldn't state that, I don't think he did. I
haven't any idea he did.
Q Is there anybody else here who would know? A I suppose Mr.
Boss would know. I don't suppose he has ever become a citizen.
As I told you he has been in trouble; he has been out and in.
Q Where was his home? A In Tahlequah, Tahlequah, Indian Territory.
His father lived on what is known as Peggs prairie.
Q And still lives there? A Yes sir, he is dead now though.
Q When did his father die? A I don't know; he has been dead for
eleven years.
Q Lucullus made his home with his father? A Yes sir.
Q Where is he now? A He is in Leavenworth penitentiary.
Q How long has he been there? A I don't know how long.
I got a letter from him the other day and he said he would
soon be out.
Q Is he married? A Why, he had a wife.
Q Do you know if they separated? A I think they separated.
In fact, I know she has married another man, and she is not living
with that fellow now.
Q You want to file for Mr. Vann, is that so? A Yes sir.

2-Lucullus Vann -

Witness presents power of attorney duly executed on the 5th day of January, 1903, by Cull Vann, authorizing witness under the name of W. M. Hayes to make application for land and select his allotment of land in the Cherokee Nation.

Q Mr. Hayes, there seems to be something about the correct name of the applicant ----- do you know what his correct name is? A His correct name is to be Lucullus. The Indians you know --- the man Cull Vann he was named after, that I understood he was named after, his name was Lucullus, but they always called him Cull Vann.

Q Was this man he was named after any relation to you? A He was my wife's brother.

Q His name was Lucullus? A Yes sir.

Q But commonly called Cull? A Yes sir, and Cullus.

Q And this man Vann is generally known as Cull Vann? A They don't call him anything else but Cull Vann.

The applicant's name appears upon the roll of 1880 as Lucullus Vann.

In view of the testimony of witness he will be enrolled as Lucullus Vann.

Q Now, you know, Mr. Hayes, that this power of attorney signed by Cull Vann was executed by this man who was enrolled here as Lucullus Vann? A Yes sir, the same man. He wrote me several letters asking me to file for him and his brother asked me, and I wrote to him and told him if he would fix up a power of attorney I would do it, and it is merely a matter of accommodation that I am doing this.

Henry Clay Ross, being duly sworn and examined, testified as follows:

Examination by the Court.

Q State your full name, Judge? A Henry Clay Ross.
Q How old are you? A Fifty-four.
Q What is your postoffice? A Locust Grove, T.
Q You are a citizen of the Cherokee Nation? A I am.
Q Do you know Lucullus Vann or Cull Vann? A Yes sir.
Q A full blood Cherokee, is he? A Yes sir.
Q How long have you known him? A I have known him fifteen or twenty years, I reckon.
Q Has he been a resident of the Cherokee Nation during all that time? A Yes sir, as far as my knowledge goes he has.
Q You are intimately acquainted with him are you? A Yes sir.
Q He never went out of the Cherokee Nation and made a home elsewhere did he? A No sir, I don't remember of his being on only one, one trip he went in the Osage country, he and his wife.
Q How long did he stay there? A Two or three months.
Q What was his wife, a Cherokee? A She was a half breed Cherokee.
Q No Osage blood in her? A No sir.
Q They are now separated? A Yes sir.
Q Had they any children? A Yes sir, one girl.
Q Do you know her name? A Yes, I know her. It slipped my memory right now. I know the girl, but I can't recollect her name.
Q Has she been enrolled by the Commission? A Yes.
Q How long has Cull Vann been in the penitentiary? A Going on five years, four or five years.
Q Do you happen to know his correct name? A Cull Vann.
Q That is all you know? A Yes sir, old John Too-nah Vann's son.

3-Lucullus Vann-

Q Was Christiana, his wife, married in 1896, has she married Ross then? A No, sir.

1896 Roll; page 1279, #71, Christine Foreman, Tahlequah.

Com'r Breckinridge:--The applicant applies for the enrollment of himself and four orphan children, for whom he shows letters of guardianship. He is identified on the rolls of 1880 and 1896 as a native Cherokee. He has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood.

The four children named in the testimony, whose deceased father was Stephen Foreman and whose deceased mother was Christiana Foreman, are all identified on the roll of 1896. They are living and are miners. The father of these children is identified on the roll of 1880 as a native Cherokee. After that enrollment he is said to have left the Cherokee Nation, apparently in the year 1883, and to have been absent in Tennessee, his former home, for ten years. It is indicated by the official evidence of the marriage license filed herewith, that he married his deceased wife in Tennessee, in 1885. It appears that he did not return to the Cherokee Nation until 1893, at which time he brought his wife and their three older children, the youngest child being born in the Cherokee Nation after his return.

Houston N. Tchen.--2.

The father of these children is stated to have died in 1895. It does not appear that he was ever readmitted to citizenship by the Cherokee Commission or Council. The three elder children mentioned were born in the State of Tennessee and they have continued to live in the Cherokee Nation since their father brought them here in 1893. Their mother continued to live in the Cherokee Nation from the same time until her death within the present year. These children are identified on the roll of 1896 with their deceased mother. They will all now be ~~present~~ classed as a Cherokees by blood upon a doubtful card to await evidence of the readmission of the father to citizenship by the Cherokee Commission, or in the failure of that evidence, to consider their status under the conditions as stated and set forth in the testimony.

Tom's Breckinridge--The applicant applies for the enrollment of himself, his wife and four children: He is shown to have been admitted to citizenship by the Cherokee Commission on Citizenship, the official evidence of which is filed herewith, in October, 1888 as a Cherokee by blood. He is identified on the roll of 1896. He states that he has lived in the Cherokee Nation ever since his admission and he will now be listed for enrollment as a Cherokee by blood. He states that he and his wife were married in Arkansas in 1886. He was once previously married but his former wife was dead when he married his present wife. He states that his present wife was never previously married, and that she has lived with him ever since their marriage. This evidence is substantiated by a cousin whose testimony is inaugurated. She is identified with her husband and children on the roll of 1896, the oldest of whom is there given as 7 years of age and is not 11 years of age. She will now be listed for enrollment as a Cherokee by adoption, but upon a doubtful card in order to consider the question raised in such cases by the Cherokee Representatives, of her right to citizenship, inasmuch as she was not remarried to her husband after his admission to Citizenship. Of the four children named, the first three are identified with their parents on the roll of 1896. They are living now and will be listed for enrollment as Cherokees by blood. When the Commission is supplied with a proper certificate of the birth of the youngest child, Alia L., this child also will be listed for enrollment as a Cherokee by blood.

She is too young to be on the roll of 1880 but her father and mother are identified on that roll. She has lived in the Cherokee Nation all her life. Her change of name arises from her marriage, which is established by her own and her husband's testimony. She will now be listed for enrollment as a

Cherokee by blood. She and her husband state that they were married in November of the present year. He does not at this time produce his license and certificate, which he is desired to file with the Commission. His marriage is too late under the Cherokee law of December 16, 1900, to entitle him to enrollment, and therefore the application for his enrollment is **REJECTED**:

His wife claims the child, Evelyn, as her own and states that the child is seven weeks old. Of course the child possesses the rights of its mother and when a proper certificate of the birth of this child is filed with the Commission, it will be listed for enrollment as a Cherokee by blood.

He states that his wife is also a Cherokee by blood, and she appears in the course of the application. Her alleged father and mother are identified on the roll of 1880. She is not identified on that roll herself, but is perhaps too young to be upon it. She is not definitely identified upon any other roll. Giving her the benefit of all doubts, her application will be received, but it will be placed upon a Rejected card, she being classed as a Cherokee by blood. She is desired to supply the Commission with some information which may lead to her identification upon some of the rolls of the Cherokee nation.

J. O. Rossen, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Muskogee, Oklahoma, January 24, 1910.

Mr. Charles Catcher,

Evansville, Arkansas.

Sir:

Evidence has been secured by this office showing that your son, John Tickneskey, whose name appears on the roll of Cherokee citizens by blood opposite No. 14740, died in the year 1901.

The act of Congress of July 1, 1902 (32 Stats., 716), contains the following provision:

"That no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on said roll and who died prior to the first day of September, nineteen hundred and two. The right of such person to any interest in the lands or other tribal property shall be deemed to have become extinguished and to have passed to the tribe in general upon his death before said date, and any person or persons who may conceal the death of anyone on said roll as aforesaid for the purpose of profiting by said concealment, and who shall knowingly receive any portion of any land or other tribal property or of the proceeds so arising from any allotment prohibited by this section, shall be deemed guilty of a felony, and shall be proceeded against as may be provided in other cases of felony, and the penalty for this offense shall be confinement at hard labor for a period of not less than one year nor more than five years, and in addition thereto a forfeiture to the Cherokee Nation of the lands, other tribal property, and proceeds so obtained."

Charles Catcher - 2.

You are, therefore, notified that on or before February 24, 1910, you may appear at this office, if you so desire, to show cause why recommendation should not be made to the Department of the Interior that the following notation be placed opposite the name of John Tickneskey on the approved roll of Cherokee citizens:

"Died prior to September 1, 1902; not entitled to land or money."

Respectfully,

SUBJECT:
Enrollment of John
Tickneskey, a Cherokee.

.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of John Tickneskey, a citizen by blood of the Cherokee Nation, enrolled opposite No. 14740. No application to select an allotment of land having been made for John Tickneskey an investigation was begun to determine whether this person was living, and if not, the date of his death, and on December 17, 1909, John Muskrat testified that he was acquainted with John Tickneskey and that he died in the spring of 1901, stating that his death occurred shortly after his enrollment which is shown by the records of this office to be December 6, 1900. On the same date Isaac Bearpaw testified that John Tickneskey died in 1901, as did Samuel J. Starr, both of whom were positive as to this date though having no record to confirm same.

On January 24, 1910, Charles Catcher, father of John

No. 2.

Tickneskey, was notified by registered mail of the information secured by this office as to the date of the death of his son, and of the provisions of Section 31 of the Act of Congress approved July 1, 1902, (32 Stats., 716) that no person whose name was on the final roll of Cherokee citizens and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and advised that he might within a stipulated time appear at this office and show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said John Tickneskey was not entitled to participate in a division of the tribal property of the Cherokee Nation.

This notice was received as is evidenced by the return of the registry receipt properly signed but no appearance has been made.

The record in this case appears clearly to establish that John Tickneskey died prior to September 1, 1902, and I therefore recommend that the following notation be placed upon all copies of the approved rolls of citizens of the Cherokee Nation, opposite the name of John Tickneskey, No. 14740: "Died prior to September 1, 1902, not entitled to land or money."

No. 3.

Copies of the record pertaining to the death of this citizen are enclosed herewith.

Sir:

I have the honor to transmit herewith a report of March 4, 1910, from the Acting Commissioner to the Five Civilized Tribes relative to the death of John Tickneskey, whose name appears opposite No. 14740 on the final approved rolls of citizens by blood of the Cherokee Nation.

It appears from the enclosed papers that the above mentioned person died prior to September 1, 1902. Section 31 of the Act of Congress approved July 1, 1902 (32 Stat. L., 716), provides that no allotment of land or other tribal property shall be made to any person, or to the heirs of any person, whose name is on the Cherokee roll, and who died prior to September 1, 1902. It is therefore recommended that there be placed opposite the name of John Tickneskey on the above mentioned roll, the notation "Died prior to September 1, 1902; not entitled to land or money," and that this Office and the Commissioner to the Five Civilized Tribes be authorized to make a similar notation on the copies of the roll in their possession.

- Q. Is this child, Mable Hutchins, a full blood Cherokee? A. Yes sir.
Q. Charlotte Hutchins was Celia Lookback's mother? A. Yes sir.

Dr. T. B. Needles: The applicant applies for the enrollment of a full blood Cherokee Indian child, Mable Hutchins: She avers that she is the child of one, Celia Lookback, who was a full blood Cherokee, but the name of Celia Lookback can not be identified on any of the rolls, neither can the name of the child: There is no doubt about the child being a full blood Cherokee Indian, and entitled to enrollment. The child is present, and is now in the custody of Berry Hutchins, having been given to him and his full blood Cherokee wife by its mother before her death. Consequently, the said Mable Hutchins will be duly listed for enrollment as a Cherokee citizen by blood, and the said Berry Hutchins, whose name appears upon the census roll of 1896, presents satisfactory proof of marriage to one, Charlotte Squirrel, a full blood Cherokee, in the year 1888, and her name is found upon the authenticated roll of 1880, and upon the census roll of 1896: Both being fully identified, and having made satisfactory proof of residence, the said Berry Hutchins will be duly listed for enrollment as a Cherokee citizen by intermarriage, and his wife, Charlotte Hutchins, as a Cherokee citizen.

The witness, being sworn, states that as stenographer to the Commission of the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

SUBJECT:
Enrollment of John
Ross, a Cherokee.

.....

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of John Ross, a citizen by blood of the Cherokee Nation, enrolled opposite No. 14741. No application to select an allotment of land having been made for John Ross an investigation was begun to determine whether this person was living, and if not, the date of his death, and on November 11, 1909, Ellen Myers, an aunt of John Ross, testified that her nephew committed suicide and died in October 1901. She also stated that her father died in the same year, the date of his death being March 9, 1901. On November 10, 1909, George Thomas, testified that his brother, James Thomas, was supposed to have been killed by John Ross who died on the same day, October 19, 1901, and on the same day a certificate was secured from S. J. Starr, a merchant of Evansville, Arkansas, that his ledger contained an entry of the purchase of clothes to bury James Thomas who was killed by John Ross, the latter having committed suicide immediately

No. 2.

after killing the said Thomas. This entry bore the date of October 19, 1901.

On January 24, 1910, Rufus Ross and Mrs. Lizzie McLemore, brother and sister of John Ross, deceased, were notified by registered mail of the death of their brother, and of the provisions of Section 31 of the Act of Congress approved July 1, 1902, (32 Stats., 716) that no person whose name was on the final roll of Cherokee citizens and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and advised that they might within a stipulated time appear at this office and show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said John Ross was not entitled to participate in a division of the tribal property of the Cherokee Nation.

These notices were received as is evidenced by the return of the registry receipts properly signed but no appearance has been made.

The record in this case appears clearly to establish that John Ross died prior to September 1, 1902, and I therefore recommend that the following notation be placed upon all copies

No. 3.

of the approved rolls of citizens of the Cherokee Nation, opposite the name of John Ross, No. 14741: "Died prior to September 1, 1902, not entitled to land or money."

Copies of the record pertaining to the death of this citizen are enclosed herewith.

Respectfully,

Q Where was your oldest child, Lena, born? A Born right over here about six or seven miles from here.

Q Have you resided in the Cherokee Nation continuously for the last five years? A Yes sir, according to my recollection.

This testimony will be filed with and made a part of the record in the matter of the application for the enrollment of Sarah E. Shaw as a citizen by intermarriage of the Cherokee Nation, Cherokee straight card field No. 6194.

Wm. Hutchinson, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of the stenographic notes thereof.

1896 roll page 1219 #2394 Dathular Paden, Tahlequah.

Thomas J. Paden being sworn and examined by Commissioner Breckinridge testified as follows:

Q She is married to this applicant here, Henry Miller? A Yes sir

Com'r Breckinridge: The applicant applies for the enrollment of himself, his wife and two children; his wife is identified on the roll of 1896; she is too young to be on the roll of 1880, but her father and mother are identified on that roll, and the variations in name are fully explained in the testimony. The applicants wife Darthula will now be listed for enrollment as a Cherokee citizen by blood; when certificates of birth of the two children Mary J. and William J. are filed with the Commission, these children also will be listed for enrollment as Cherokees by blood.

The applicant is shown to have married his wife under a Cherokee license in 1897, he states that neither was previously married, and that he and his wife have lived together ever since their marriage; their marriage however, is too late under the Cherokee law of December 16, 1895, to entitle him to enrollment at this time, he being a white man, therefore the application for his enrollment is rejected.

M. D. Green being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

Land
12493-1907.

February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all the applicants are found on the authenticated 1880 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 31, the Department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907, I.T.N. 1390.

With reference to the names of these applicants being on the 1880 roll Mr. Kirby says:

THE RECORDS FURTHER SHOW: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 28, 1898 (30 Stat.L., 495), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names are found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of *Wofire vs. the United States* (164 U.S., 637), said :

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

.....
The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation in his lifetime recognized him as a citizen and still asserts his citizenship. Held, that, under those circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offence charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al, vs. the United States the Supreme Court said:

The roll of 1880, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....
Section 31 of the Act of July 1, 1902, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee Tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under the laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribes.

The concluding words of section 31, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicate that Congress had the Indian citizen in mind in all that went before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that nation that had been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. F. Larrabee,
Acting Commissioner.

Commissioner to the Five Civilized Tribes,

Sir:

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two other as citizens by intermarriage of the Cherokee nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1860 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 5, 1906, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your deci-

sion, adverse to these persons, is correct, and it is hereby affirmed.

The papers in the case and a carbon copy hereof have been sent to the Indian Office.

Applicant: William Charles Rogers born in 1849.
Q Any statement you want to make about not being on that roll?
Just sayly this: that I always thought that white folks ought to be on there, and I didn't apply for it.

In the application of the applicant for the enrollment of himself, wife and children; he was listed on the rolls of 1896 and 1897 as a native Cherokee; he has lived in the Cherokee Nation all his life, and he will be listed for enrollment as a Cherokee by blood; he is married to a white woman, his wife Zebary 14th 1899; she lived with him at the time she is not identified on the roll of 1896, for the reason given by him, that he had a prejudice against having her enrolled at the time, she being a white woman; but it appears that by the act of marriage she acquired citizenship; and she nor her husband had been previously married, and she is stated to have lived with him ever since their

William Charles Rogers et al 2

marriage; for the further consideration of her rights under these conditions her name will now be placed upon a doubtful card, she being classed as a Cherokee by adoption; when certificates of birth of the two children William C. Jr., and Lucile Rogers, are filed with the Commission, these two children will be listed for enrollment as Cherokees by blood.

W. C. Rogers, first duly sworn, states that a stenographer to the Commission to the Five Civilized Tribes has correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

She avers that her first husband was L. D. Spears not now living, by whom she had one child, Lizzie Spears, whose name appears upon the Census roll of 1896. She afterwards married Zack Taylor, a non citizen, by whom she had three children, Mina, Bessie, and Zachy. Mina and Bessie's names appear upon the Census roll of 1896. The name of Zachy does not appear upon said roll, having been born since said roll was compiled. All being duly identified, and having made satisfactory proof as to residence, the said Jennie C. Taylor, and her said children, will be duly listed for enrollment as Cherokee citizens by blood. In order to complete the enrollment of the younger child, Zachy, it will be necessary for her to file satisfactory proof of its birth.

The Department's instructions of June 1, 1903 (I.T.D. 8240-1903), and October 3, 1903 (I.T.D. 12228-1903), as to the proceedings to be taken with reference to these persons have been complied with. Notice under date of March 1, 1904, of the information received as to the date of the death of the above named persons, was given by publication for four consecutive issues, the first issue being March 3, 1904, in "The Cherokee Advocate," a weekly newspaper of general circulation published at Tablequah, Indian Territory. Attention was called to Section 31 of the Act of Congress approved July 1, 1902 (32 Stat., 716), and notice given to the heirs of the persons named, the administrators of their estates, or any other person having any interest in the estates of the decedents, that

the Commissioner would, at the expiration of sixty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1902. Each of the above named persons was shown to have been residing at the time of his death in the Recording District in which said paper is published, and notice of the Commissioner's proposed action was not, therefore, published in any other paper.

In addition to this notice a letter was on May 1, 1906, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

No information having been received that any one of the above named persons was living September 1, 1902, it is respectfully recommended that their names be stricken from the

approved partial rolls of citizens and freedmen of the Cherokee Nation in the possession of the Department and the Commissioner of Indian Affairs; that this office be authorized to strike their names from the copies of the approved partial rolls in its possession, and that the applications for their enrollment as citizens of the Cherokee Nation be dismissed.

John Smith,

vs

David Smith,

On this day this cause came on to be heard and the
defendant being thrice called came not but made default, and it appearing
to the Court that the defendant has been duly and legally served, and
the Court having heard the evidence, finds that the plaintiff is
entitled to the relief prayed for.

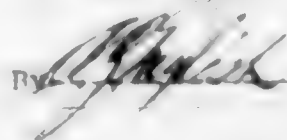

It is therefore ordered and decreed that the bonds of
matrimony heretofore existing between the plaintiff and defendant be
and the same are hereby set aside and held for naught.

a decree entered of record in the above styled cause, as the same appears
from the records in my office, the same being of record in Common Record

IN so much as the "New York Times" has published an account of the death of a man who was killed by a bullet from a machine gun, it is interesting to note that the same man was also killed by a bullet from a machine gun.

The man in question was a member of the "New York Times" staff, and he was killed while he was working on the paper's editorial board. The account of his death was published in the "New York Times" on the day after he died.

The man's name was John J. Edgar, and he was a well-known figure in the newspaper world. He had been a member of the "New York Times" staff for many years, and he had held several important positions during that time.

His death was a great loss to the newspaper, and it was a tragedy for all those who knew him. His family is now mourning his death, and they are hoping that he will be reunited with them in the hereafter.

The "New York Times" is a very old and respected newspaper, and it has always been known for its high standards of journalism. It is a pleasure to see that it continues to uphold those standards even in the face of such a tragedy.

I am sure that the "New York Times" will continue to be a source of reliable information for many years to come.

The certificate shows that they were united in marriage on the day following by the Rev. E. L. Nicholson, Minister of the Gospel. The document alluded to is an official copy and it is filed herewith.

Com'r C. R. Breckinridge: The applicant applies for the enrollment of himself, wife and five children. He is shown to have been admitted as a citizen of the Cherokee Nation by Act of the Cherokee Council, on January 3rd, 1891. The official evidence is filed herewith. He is identified on the rolls of 1894 and 1896; he has lived in the Cherokee Nation ever since his admission in 1891, and he will be listed for enrollment as a Cherokee by blood.

He is shown to have married his wife under United States law in 1884; an official copy of the license and certificate is filed herewith. He states that he was once previously married, but that his former wife was dead when he married his present wife; that his present wife was not previously married; she has lived with him ever since their marriage; She is a white woman; she is identified with her husband and children on the roll of 1896. They have not been remarried since the applicant's admission to Cherokee citizenship. In as much as the Cherokee representatives contend that a woman not remarried under these conditions does not become a citizen of the Cherokee Nation, she will now be listed for enrollment upon a doubtful card as a Cherokee by adoption, for the further consideration of that point. The final decision of the Commission will be made known to the applicant at his post office address.

Of the five children named in the testimony, the first four are identified with their parents on the roll of 1896; they are living and will now be listed for enrollment as Cherokees by blood.

When a certificate is filed of the birth of the youngest child, Albert A., this child also will be listed for enrollment as a Cherokee by blood.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

APPLICANT RECALLED:

COM'R. C. R. Brackinridge: The applicant applies for the enrollment of himself, his wife and one child. He states that he lived in the Cherokee Nation until he was seven years of age, and then was taken to the State of Kansas by his father. He states that he was born in the Cherokee Nation and that he returned with his father in 1892, and has resided here ever since. The dates given by him would take him and the family out of the Cherokee Nation prior to the making of the roll of 1890, and none of them are found on that roll. He states that his father applied to the Cherokee Council or Commission for readmission, but that so far as he knows, no action was ever taken upon their papers. He is identified on the roll of 1896 as a native. It appears that he returned to the Cherokee Nation with his father and the family very soon after he had reached his majority. For the further consideration of his rights; especially as to whether he delay outside of the Cherokee Nation was sufficiently long to forfeit whatever rights he may have enjoyed as a minor, he will now be listed for enrollment as a Cherokee by blood upon a doubtful card.

His wife is identified on the rolls of 1890 and 1896, as a native Cherokee; she has lived in the Cherokee Nation all her life; Her change of name arising from marriage is established by the testimony of the applicant and his mother, and she will now be listed for enrollment as a Cherokee by blood.

When a certificate of birth of the child, Silas R. Payne, is filed with the Commission, this child also will be listed for enrollment as a Cherokee by blood.

1890 Roll: page 27, 37, Elias Carmon, Canadian district
1890 Roll: page 3, 45, Samuel W. Carpenter, Canadian district
1890 Roll: page 12, 22, Charles Carpenter, Canadian district.

Canadian district.

The applicant, Elias Carmon, states that he is a native of the Cherokee Nation, and that his first wife was a Cherokee by blood. He states that his second wife is a white woman. He is identified by the license and certificate filed by him to have married his first wife in 1886, in the month of March. He states that neither he nor she had previously married. She is identified on the roll of 1880 as a native Cherokee. She lived in the Cherokee until her death some eleven years ago, and she and her husband lived together from the time of her marriage until her death. The applicant is identified on the roll of 1880, but since of his Cherokee life he has married a white woman. He is, therefore, considered to have lost his rights as a Cherokee by adoption, and the application for his enrollment at this time is rejected. His wife being a white woman, and he being a white man, his marriage to her does not give her any right to enrollment; also he married her in March, 1889, after the Cherokee law of December, 1, 1893, prohibiting the right to enrollment by intermarriage. The application for her enrollment is rejected. The name of his present wife being Nancy Carpenter. The child, Glad, is by the applicant's first wife, and this child's mother is identified on the roll of 1880, and lived in the Cherokee Nation until her death. As the child is identified on the roll of 1880 as being living now, and the marriage established, this child will be listed for enrollment as a Cherokee by blood.

The applicant, Elias Carmon, states that he is a native of the Cherokee Nation, and that his first wife was a Cherokee by blood. He states that his second wife is a white woman. He is identified by the license and certificate filed by him to have married his first wife in 1886, in the month of March. He states that neither he nor she had previously married. She is identified on the roll of 1880 as a native Cherokee. She lived in the Cherokee until her death some eleven years ago, and she and her husband lived together from the time of her marriage until her death. The applicant is identified on the roll of 1880, but since of his Cherokee life he has married a white woman. He is, therefore, considered to have lost his rights as a Cherokee by adoption, and the application for his enrollment at this time is rejected. His wife being a white woman, and he being a white man, his marriage to her does not give her any right to enrollment; also he married her in March, 1889, after the Cherokee law of December, 1, 1893, prohibiting the right to enrollment by intermarriage. The application for her enrollment is rejected. The name of his present wife being Nancy Carpenter. The child, Glad, is by the applicant's first wife, and this child's mother is identified on the roll of 1880, and lived in the Cherokee Nation until her death. As the child is identified on the roll of 1880 as being living now, and the marriage established, this child will be listed for enrollment as a Cherokee by blood.

Witness my hand and seal of office this 7th day of December, 1893.

By the Commission-

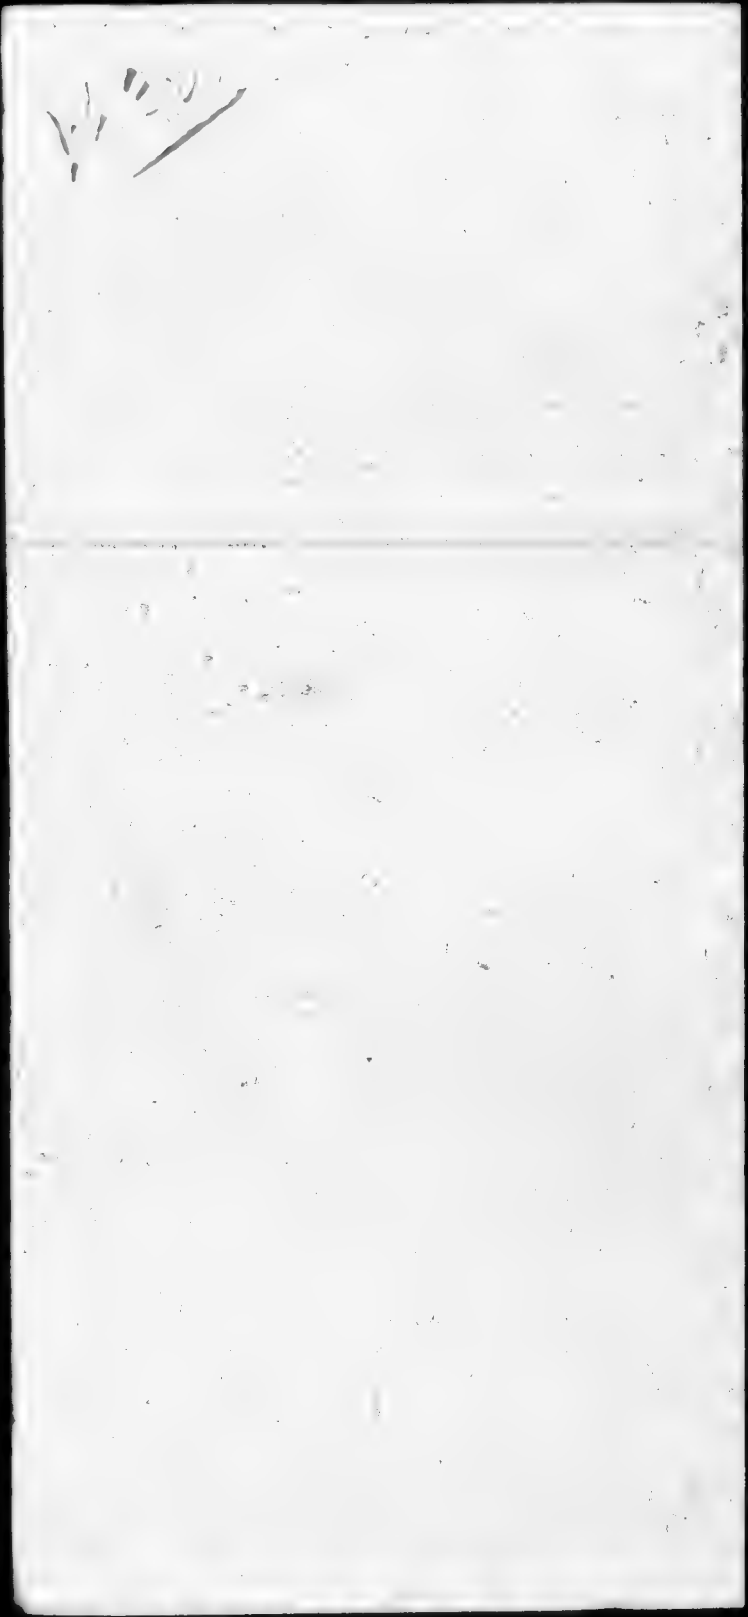

- Q What is the reason that your name is not on the roll of 1896? A. I dont know except that they said that I could not be enrolled as I took the oath of allegiance at Muskogee and was not a citizen.
Q Did you take the oath of allegiance? A. Yes sir, I took it for my own protection against some people who had it in for me.

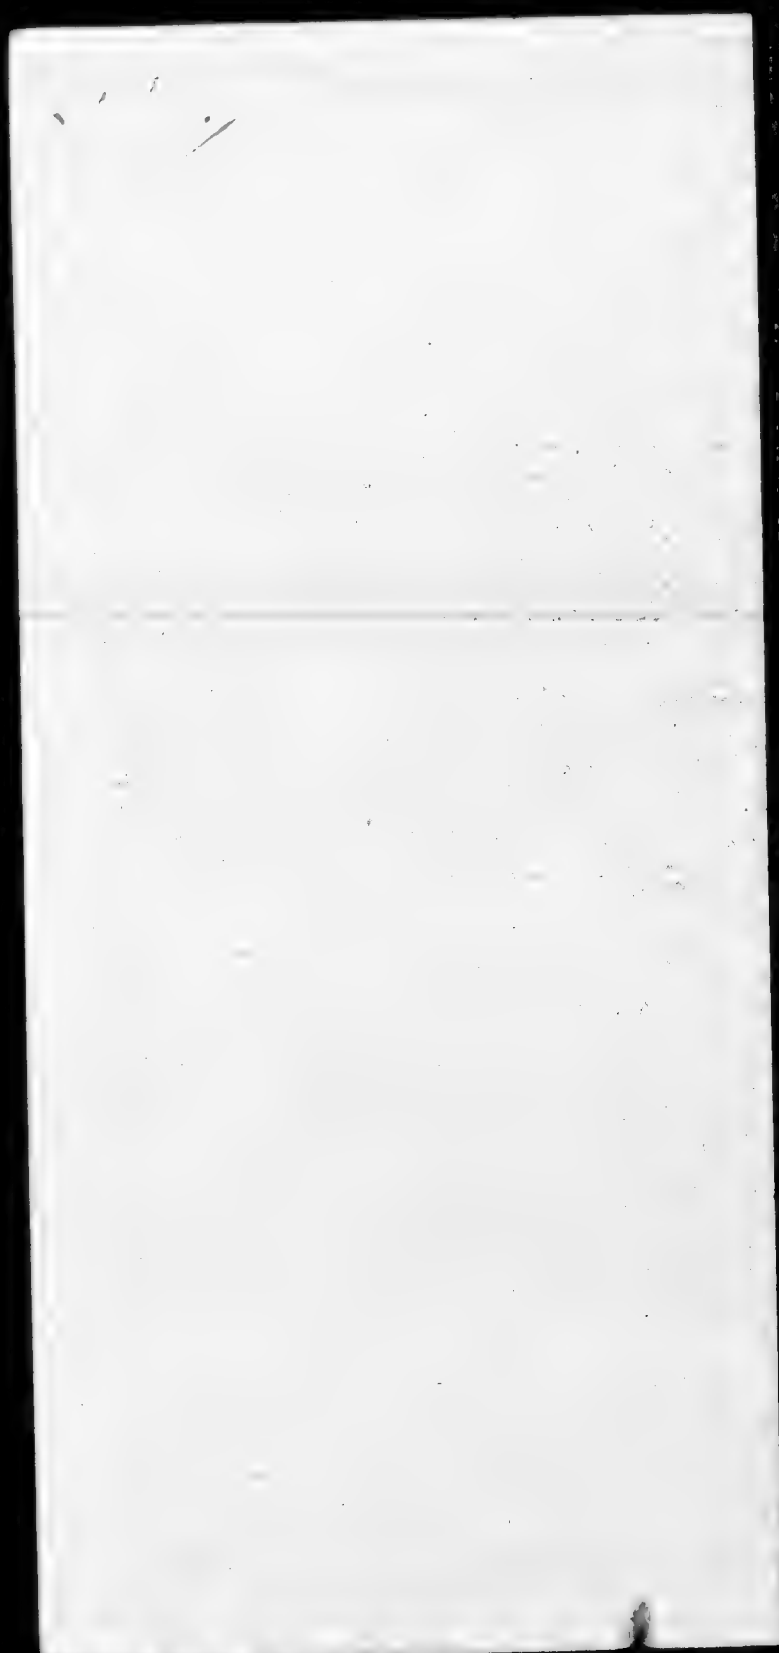

The applicant presents a duly authenticated copy of a marriage license and certificate, certifying that he was married to one Mrs. Nancy Smith a Cherokee citizen by blood in 1888, and the name of his wife appears on the authenticated 1880 roll as Nancy Matoy, her maiden name, and he avers that she died before 1896, consequently her name is not on that roll; neither is his name on the census roll of 1896 but he gives satisfactory evidence as to that. He having made satisfactory proof as to citizenship and residence he will be listed for enrollment as a Cherokee citizen by inter-marriage.

Chas. von Reice being sworn states that as stenographer to the Commission to the Five Civilized Tribes he reported in full all the proceedings in the above case and that the foregoing is a full, true and correct transcript of his stenographic notes therein.

Commissioner Breckinridge-

The applicant applies for the enrollment of five children, who he states are related to him, and have been for years in his charge, whose mother is dead, and whose father having left them in the applicant's charge, does not look after their enrollment. These children, as stated in the testimony, Edna M., Cora, Ethel, Charles and Frederick Guthrey, are all identified on the roll of 1896. They are living. Their father is identified on the rolls of 1891 and 1892 as a native Cherokee, and is said to have lived on the Cherokee Nation all his life. Their mother died some six years ago. Her marriage to her husband is established in a court record, and they were married and lived together until her death. These children will now be eligible for enrollment as Cherokees by blood.

W. J. F. A. being sworn, states that he stands for the five children to the five Indian tribe. He reported in full the testimony given in the above case, and that the foregoing is a full and correct transcript of his stenographic notes.

Commissioner Brockmridge-

The applicant applies for the enrollment of his wife, and one child of the present marriage, and three step-children, the children of his wife by a former marriage. He does not apply for himself as he was married under United States law, and is not upon any rolls. His wife is identified on the rolls of 1880 and 1896 as a native Cherokee. She has lived in the Cherokee Nation all her life. The variations in name are established by the marriage licenses and certificates filed herewith, she having been married twice, and there being filed official evidence of both marriages. She will now be listed for enrollment as a Cherokee by blood. Her three children by her first husband, whose names are Samuel A. Roberts, and Willie May Calvert, are identified on the roll of 1896. They are minors, and are living at this time, and these three children will now be listed for enrollment as Cherokees by blood. The child of the present marriage, Gertrude Martin, is identified on the roll of 1896. This child is living, and will be listed for enrollment as a Cherokee by blood.

E.O. Rothenberger, being duly sworn, states that a stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony and proceedings in the above case, and that the foregoing is a full, true and correct transcript of his stenographic notes in said case.

Subscribed and sworn to before me this 7th day of December, 1907.

She is identified on the roll of 1896 as a native Cherokee. Her husband is shown to have married her in accordance with Cherokee law in 1889, the license and certificate are filed herewith. Neither was previously married. He has lived with his wife ever since their marriage, and he will be listed now for enrollment as a Cherokee by intermarriage. Of the six children mentioned in the testimony, the first four are identified on the 1896 roll with their parents and they will be listed now for enrollment as Cherokees by blood. When the Commission is supplied with proper certificates of the birth of the two younger children, Mary E. and Ollie L. Watkins, they also will be listed for enrollment as Cherokees by blood.

Chas. von Weise being sworn states that as stenographer to the Commission to the Five Civilized tribes he reported in full all the proceedings in the above cause and that the foregoing is a full, true and correct transcript of his stenographic notes therein.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES,
CHEROKEE LAND OFFICE.
Tahlequah, I.T., December 4, 1905.

In the matter of the application for the enrollment of
Susie Thompson as a citizen by blood of the Cherokee Nation.

Rose Thompson, being first duly sworn by William P. Drew,
a Notary Public, and examined on behalf of the Commissioner, testi-
fied as follows:

- Q What is your name? A Rose Thompson.
Q What is your age? A Thirty-eight.
Q What is your postoffice address? A Tahlequah.
Q How many children have you? A Four living.
Q What are their names? A Ella is the oldest--they call her
Eloise but we call her Ella.
Q What is the name of your next child? A Ida F.
Q What is the name of the next child? A Susie.
Q And you have another child, a baby? A Yes sir, a baby a year
old, his name is Thomas Fox Thompson.
Q It appears from the records of this office that you have previ-
ously made application for the enrollment of yourself and your chil-
dren, Eloise and Ida F. as citizens by blood of the Cherokee Nation.
Did you ever make application to the Dawes Commission for the
enrollment of your daughter Susie? A I told you before that I did
but I stopped on my way home this morning and thought it all over
and I never did. I thought I had and that's the reason you know
I never see after it. He didn't tell me anything about it.
Q Who do you mean by "he"--who do you refer to? A My husband.
Q What is the name of your husband? A Robert J. Thompson.
Q Is he living? A Yes sir.
Q Are you living with him? A Yes, but then we don't live in one
house he don't stay in the same house with us.
Q Has he separated from you? A No sir, he stays there part of the
time and helps us.
Q Did your husband ever make application for the enrollment of
Susie? A He said he would, but then he never did; I tried to get
him to come here when we got the letter from the Commission to come
and my baby was sick--a month or two ago, but he wouldn't come.
Q How old is Susie? A She's three years old--going on four.
Q When was she born? A She was born January 19, 1902--here's a book
that has the names of my children and the dates when they were born.

On behalf of the Commissioner:

There is offered in evidence a small book marked on
cover "Ledger", in which appears a list of names purporting to
be the names of children born to Rose and Robert J. Thompson,
and among which appears the following: "Susie Thompson born
January 19, 1902".

- Q When did you make this record in this book? A The day the child
was born.

Q Who wrote it? A I did.
Q Who was present at the birth of your child Susie? A Mrs. Betsy Hilderbrand.
Q Was there a doctor present? A No sir, only Mrs. Hilderbrand--there was another girl there but she didn't come in until it was over.
Q What was her name? A Rachel Ross.
Q Where is she living? A I don't know where--just anywhere she can get to stay all night, I guess.
Q You say Susie is living? A Yes sir.
Q Living with you? A Yes sir.
Q She is the daughter of yourself and Robert J. Thompson? A Yes sir.
Q You have a younger child by the name of Thomas, have you?
A Yes sir.
Q When was he born? A It shows in the book.

On behalf of the Commissioner:

It is stated in the record previously referred to that Thomas Thompson was born on October 4, 1904.

Q This is the first application that has been made by either you or your husband for the enrollment of your child, Susie--is that correct? A Yes sir.

Witness excused-----

Betsy Hilderbrand, being duly sworn by William P. Drew, a Notary Public, and examined on behalf of the Commissioner through Jack Wofford, official interpreter, testified as follows:

Q The next child? A Thomas.
Q Were you present at the birth of any of these children?
A Yes, I was present when Susie was born.
Q When was Susie born? A I couldn't say--I've about forgot all about it.
Q How many years ago is it? A About three years ago.
Q Is it less than three years ago or more than three years ago when she was born? A More than three years.

Com'r:--The applicant presents what purports to be an official copy of the record of the action of the Cherokee Commission on Citizenship, September 28, 1880, market No. 39, stating that Thomas, Rebecca, James F., Eddie, Sherman, Mary and Martha Johnson appeared before the Commission in obedience to a proclamation of the Principal Chief, their names appearing on the census roll as doubtful citizens and the Commission, as stated in the document, declared that they were entitled to all the rights and privileges of citizenship by blood, and that there was an error in the census roll in representing them doubtful. It states that Thomas Johnson, the husband of Rebecca, became a citizen of the Cherokee Nation under the marriage law regularizing intermarriage with citizens of the Cherokee nation and citizens of the United States, although the said Thomas Johnson is a colored man. It further states that their rights to citizenship is hereby recognized. This bears the name of Roach Young, President, William Harnage and G. W. Mayes, Asst. Commissioners, and J. P. Mayes, Clerk of the Commission. This is filed herewith.

INTERROGATORIES BY W. W. HASTINGS, Cherokee Representative:

- Q Didn't your wife claim to be a sister of David Davis? A My wife was readmitted in 1880. They taken us as doubtful and citizens by blood.
Q Didn't your wife claim to be a sister of David Davis? A No, sir, Dave Davis claimed her as his sister.
Q Did she claim him as her brother? A I do not know whether she did or did not.
Q What witnesses did she have to prove that she was a Cherokee?
A She has been here all the time?
Q What witnesses did she have when she went before the Commission to prove her case? A Tommy Fields and Guss Buffington.
Q What Buffington, a connection of hers? A No, sir.
Q What Tom Fields did she have? A He lives right close to us.
Q Was he a Cherokee or colored man? A Cherokee.
Q Did David Davis swear that she was a sister of his? A They took us doubtful and straight both and we didn't draw money and been here always and that is what caused us to have that readmittance paper.
Q Your wife's maiden name was Rebecca Davis? A Yes, sir, I have got the papers here to show that Lumpin O'Fields told me that I had to marry her, and I have been living with her ever since 1878.

BY COMMISSIONER BRECKINRIDGE:

- Q At the time of your admission David Davis was not in the Nation?
A No, sir, he was at Hot Springs, Arkansas. And that was the time he had been talking about us, just a little before the strip payment.
Q His claim to your life was helping him? A Yes, sir.

BY W. W. HASTINGS:

- Q When this matter was investigated before the National Council in 1896, did not some other Rebecca Davis come up before the Committee and claim to be the same Rebecca Davis that claimed to be your wife? A I don't think they did before the Committee; they claimed another woman before the Committee, but she never come up here.

Q Did you ever see that other woman who claimed to be this Rebecca, whom you claimed to be your wife? A Yes sir, she drew strip money and they did not know anything about her. Then counselled against me all one summer, Tom Shade, and I hope to God to let me tell the truth. When he started here to claim that old woman and this old man come over to get some milk and butter and he started to go to Town and got a little ways and he come back and said he was afraid to go out there and do what they wanted him to do.

There was no trouble, Bob Buscal and Joe Thompson they took us doubtful and citizens both. Col. Bell was for my wife.

Q L. B. Bell? A Yes, sir, I had plenty of witnesses here. I took my petition before them up there and he said it was the best petition ever brought up before him.

W.W. Hastings, Cherokee Representative:

The Representatives of the Cherokee Nation having been advised that this family was erroneously and fraudulently admitted to citizenship, and that the life of this applicant, Rebecca Johnson, who was formerly Davis, and it having been further represented that she was not the Rebecca Davis that she was proven to have been, the Representatives reserve the right to open this case for future investigation in case satisfactory testimony is presented to them showing that these representations hereinbefore set forth are true.

Com'r Breckinridge:--The applicant applies for the enrollment of himself and wife: He is identified on the roll of 1880 and he has filed herewith an official copy of the records of the Cherokee Nation showing that he married his wife in accordance with Cherokee law, she being a citizen of the Cherokee Nation and he a citizen of the United States, in accordance with the terms of the license, on the 12th of June, 1879. He is not identified on the roll of 1896. His wife is identified on the rolls of 1880 and 1894, and the applicant states that it is not contended that he and his wife have not lived in the Cherokee Nation ever since they were married in 1879. He states that his wife has lived in the Cherokee Nation all her life. A contention has been set up in regard to the failure of the applicant and his wife to be enrolled in 1896. He has filed herewith what purports to be an official copy of the records of the Cherokee Commission on Citizenship, and which is not contested as to its authenticity, showing that their right to enrollment was called in question in 1880, and that the matter was adjudicated and determined by the Cherokee Commission on Citizenship at that time, and that it was decided in favor of the applicant and his wife. It does not appear that the disputes specially referred to in the testimony existed at that time, but arose on or about the time of the Cherokee payment, and that what deceptions may have been committed in connection with the disputes herein specially referred to have any connection whatever with the enrollment of these two applicants in 1880; nor does it appear that ~~either~~ either of them have attempted to use the rights or claims of other people for their own advancement, but that others have called them in question in order to substitute one or more individuals for their own benefit. So far as this case has been heard no doubt is left upon the mind of the Commission that if any imposition was attempted anywhere it was upon the right of the applicant and his wife, and even is an error had been committed in their enrollment in 1880, of which there does not appear the slightest evidence, it is not believed that this Commission would be authorized to go behind it. The Act of Congress adopting that roll as a finality in determining the rights of applicants for enrollment as Cherokee citizens as long as no subse-

Thomas Johnson--2.

quent act has been framed; therefore the applicant and his wife will now be listed for enrollment, he as a Cherokee by intermarriage, and his wife as a Cherokee by blood.

February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all the applicants are found on the authenticated 1880 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 31, 1907, the Department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907, L.T.D. 1390.

With reference to the names of these applicants being on the 1880 roll Mr. Sixty says:

THE RECORDS FURTHER SHOW: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 28, 1898 (30 Stat.L., 495), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names are found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls not placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of *Wefire vs. the United States* (164 U.S., 657), said :

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

.....
The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation in his lifetime recognized him as a citizen and still asserts his citizenship. Held, that, under those circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offence charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al, vs. the United States the Supreme Court said:

The roll of 1880, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....
Section 31 of the Act of July 1, 1902, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee Tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under the laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribes.

The concluding words of section 21, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicate that Congress had the Indian citizen in mind in all that went before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

-4-

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of that nation that had been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

Very respectfully,

C. F. Larrabee,
Acting Commissioner.

On February 14, 1907 (Land 12493), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two other as citizens by intermarriage of the Cherokee nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1880 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 5, 1906, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your deci-

sion, adverse to these persons, is correct, and it is hereby affirmed.

The papers in the case and a carbon copy hereof have been sent to the Indian Office.

Respectfully,

Thos Ryan.

First Assistant Secretary.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES,
TAHLQUAH, I.T., DECEMBER 7th, 1900.

In the matter of the application of Charley Nicholas Mitchell for the enrollment of himself, wife and children as citizens of the Cherokee Nation; said Mitchell being sworn and examined by Commissioner Breckinridge, testified as follows:

- Q Give me your full name? A Charley Nicholas Mitchell.
Q How old are you? A 28.
Q What is your post office? A Locust Grove.
Q In what district do you live? A Saline.
Q Who is it you want to have put on the roll, just yourself or have you a family? A Family.

Q Are you a Cherokee by blood? A No, sir.
Q White man? A Yes, sir.
Q Is your wife a Cherokee by blood? A Yes, sir.
Q What was your wife's name when you married her? A Susie Ross.
Com'r:--The applicant presents a license issued by the Clerk of Saline district authorizing his marriage to his wife, as stated by him on January 20, 1886. The certificate shows that they were united in marriage on the 20th day of January, 1896, and the endorsement shows that the document was admitted to record on the 24th day of January, 1896.
Q Now, you were married on January 20, 1896 were you? A Yes, sir.
This is filed herewith.
Q Have you lived with your wife ever since you married her in 1896? A Yes, sir.

1880 Roll; page 660, #967, Susie Ross, Saline.
1896 Roll; page 209, #3095, Susie Mitchell, Cooweescoowee.
1896 Roll; page 314, #639, Nick C. Mitchell, Cooweescoowee.

Com'r Breckinridge:--The applicant applies for the enrollment of himself, his wife and two children: His wife is identified on the rolls of 1880 and 1896 as a native Cherokee. She has lived in the Cherokee Nation all her life. Her change of name is established by the marriage license and certificate filed herewith, and she will be listed now for enrollment as a Cherokee by blood. When certificates of the birth of her two children, Toy and Joseph Mitchell, are filed with the Commission, these children will also be listed for enrollment as Cherokees by blood.

The applicant is shown to have married his wife in accordance with Cherokee law in January 20, 1896. This is too late under the Cherokee law of December 16, 1895, to entitle him to enrollment as a result of this marriage, and the application for his own enrollment is rejected.

Subject.
Duplicate enrollment,
Cherokee Nation.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department a case of duplicate enrollment in the Cherokee Nation, it appearing from an investigation recently concluded that Elizabeth Greese, whose name appears opposite No. 18452, is a duplicate enrollment of Betsey Greese, No. 29937.

An examination of the records, in the matter of the case of Betsey Greese, No. 29937, shows that application for the enrollment of Betsey Greese was made by her in person on December 7, 1900, at which time she was identified on the 1880 Authenticated Roll of Cherokee citizens as Elizabeth Greese No. 792, page 761, and on the 1896 Census Roll of citizens of the Cherokee Nation as Betsey Greese No. 1210, page 1173.

An examination of the rolls in question discloses two errors, in the fact that in the enrollment of the family of Ned and Elizabeth Greese, on page 761 of the 1880 Authenticated Roll, the name Elizabeth Greese is opposite No. 791 and the name John Greese opposite No. 792; and further, in the identifi-

fication on the 1896 Census Roll, for the reason that the Elizabeth Greese, who appears on the 1880 roll, opposite No. 791, is enrolled on the 1896 roll, opposite No. 1142, of Tahlequah District, together with two of her children, Elizabeth, No. 1143, and Joanna, No. 1144, their names appearing on the 1880 roll opposite Nos. 795 and 796, and Betty Greese, No. 1210 on the 1896 roll, appearing on the approved roll as Betty Greese No. 20678.

On April 28, 1902, it having apparently been overlooked that an application had previously been made, a new application was made at the instance of the Commission by Sam Foreman, an employe of the office, for the enrollment of Elizabeth Greese, 1880 roll No. 792 (791). The testimony in this case discloses nothing except that the witness was acquainted with Elizabeth Greese and knew that she was a Cherokee by blood and was living at the time of the application.

The probability of this being a duplicate enrollment, appearing from the records as set forth above, a field investigation was made and the testimony of John H. Greese and Charlotte Sharp, son and daughter, respectively, of Betsey Greese, was taken and neither of them knew of any other person then their mother living in Tahlequah in 1902 who bore the name of Elizabeth or Betty Greese. Their testimony also accounts for their sister Elizabeth Greese, whose name appears opposite No. 792 on the 1880 roll and No. 1143 on the 1896 roll, Tahlequah District, she having died prior to September

Sec. of Int. - - - 3

1, 1902.

An application to select an allotment of land for Hetay Greene, No. 29937, was made, but no application for any selection has been made on behalf of Elizabeth Greene No. 18482.

I enclose herewith copies of Census cards Nos. 6266 and 7876, being the cards upon which the names Hetay and Elizabeth Greene are listed, and copies of the testimony in the case of Hetay and Elizabeth Greene and the Agent's testimony in this matter, together with copies of the 1880 and 1896 Census rolls referred to.

The record in this case appears to establish conclusively a duplicate enrollment, and I have, therefore, the honor to recommend that the following notation be placed opposite No. 18482 on the approved roll of citizens of the Cherokee Nation in the possession of the Department of the Interior:

"Duplication. See Cherokee roll No. 29937.
No allotment to be made under this name."

and that I be authorized to make a similar notation on the copies of the roll in the possession of this office.

Respectfully,

WMH:WMH)
